## Working Student / Student Assistant: Marketing & Design

**Location:** Munich / Toulouse / Remote

**Duration:** ongoing

SpaceFounders is a European project of space enthusiasts empowered by public institutions in Europe. We strive to identify and empower the next generation of European space leaders through a bold 3-month accelerator program. Together with public institutions, private partners, successful entrepreneurs and outstanding role models we provide tailored mentoring, deep industry know-how and access to our world-class network of investors and important key players. We are currently seeking a highly motivated individual to join our team as a Marketing & Design Working Student.

### Key Responsibilities

- Assist in the creation and design of marketing materials such as brochures, presentations, and social media content
- Support the management and execution of digital marketing campaigns
- Help develop and maintain the SpaceFounders brand identity and style guide
- Conduct market research and analysis to inform marketing strategy
- Provide administrative support to the marketing team as needed

### What we would love to see from you

- Currently pursuing a bachelor's or master's degree in marketing, graphic design, or a related field
- Strong graphic design skills with experience using Adobe Creative Suite
- Familiarity with social media platforms and digital marketing tools
- Excellent communication and interpersonal skills
- Interest in space technology and entrepreneurship
- Fluent in English. German and French are an asset

This is a part-time position, with flexible working hours to accommodate your studies. You will have the opportunity to work with a dynamic and talented team in a fast-paced and exciting industry. If you are interested in applying for this exciting opportunity, please submit your resume and cover letter outlining your qualifications and interest in the position. We look forward to hearing from you! Please send your application directly to [hello@spacefounders.eu](mailto:hello@spacefounders.eu).
